To Whom it may concern

Our management team has been energized by Ken Wallace's leadership classes. I have provided our Supervisors with an opportunity for leadership training during a once a month lunch and learn session. As a government organization I felt the need to expose our supervisors to different ways of approaching managing our team.

Mr. Wallace has provided positive training by engaging our supervisors in an hour long session. I have had a couple of supervisions ask that these sessions be lengthened. These sessions have provided an opportunity for our staff to discuss the challenges and rewards of their positions in an open non-judgmental setting.

I have been pleased with the individual feedback and the collective results on our supervisors and our staff.

Sincerely Yours,

Blair Williams

Wake County Clerk of Superior Court
